

WMT-ALU-Workboats

DROP-BOW-Boat **ABB6000KH**
on Waginger-lake near Salzburg.
Version: center console with
foldable windscreen, hydraulic
DROP-BOW and Honda BF 130
4 Stroke outboard engine.

Dimensions:

length: 6,00 m
width: 2,30 m
weight: 1200 - 1600 kg
(inkl. engine)
max load: 1000kg
max persons: 8
recomm. engine: 135 HP longshaft

The combination of DROP-BOW and outboard engines even with an electric motor-lift allows a very comfortable landing and loading the boat special in shallow water

Our special WMT-hull gives the boat type: ABB6000KH a very good performance even in rough conditions.
